Jazz influenced folk rock jam-band. 10 MP3 Songs JAZZ: Smooth Jazz, ROCK: Jam-band Details: STORMTRAIN gets it's name from the winter storm systems lined up like boxcars off the north coast of Oregon. The musical lineup is Brian Frech on guitars and vocal, Don Burgett on bass guitars, Ray Coffey on saxaphones, flute and tres, and Tim Bruton on drums. The new CD "In Flight" showcases fresh, original music and the great chemistry of these inspired players. STORMTRAIN'S concerts cross the spectrum from melodic to hypnotic and have earned them the reputation as a band you absolutely must see. From Miles Davis to Bob Marley and Dave Brubeck to Pink Floyd, every show is full of surprises...STORMTRAIN'S originals range from sublime, lyrical folk rockers to ecstatic jazz romps to languid blues laments. Confident in their ability to play off each other, STORMTRAIN'S players are known for their improvisational prowess. The extended groove jams they cook up take the audience on a whirlwind tour without boundaries. In recording this CD at his Guitarman Studio, STORMTRAIN guitarist Brian Frech has captured the live, organic sound this group is known for. So, here is STORMTRAIN'S "In Flight"...welcome aboard and enjoy the journey!
