

Mp3 Time Travil - Tempo Demo

[DOWNLOAD HERE](#)

A 5 track EP containing 36 minutes of Indobeat Jazz fusion with influences from Sabir Khan to Miles Davis and beyond. 5 MP3 Songs JAZZ: Jazz Fusion, JAZZ: World Fusion Details: Time Travil's "Tempo Demo" is a 36-minute EP of selected tracks from the earliest recordings at the projects inception in 1999. At this time, the group was a trio of Drum Set, Tabla and Electric Bass guitar. A particularly notable track is "The Spiral, NYC, 10/6/99" which was performed in a completely improvisational setting. This is one of a few complete-improv jams from the group. It is also the first live show the trio performed. Enjoy.
