Extraordinary in it's production, breadth and depth. World Meditation Ensemble promotes international, interdenomination and inner peace through concerts at sacred sites and spiritually oriented gatherings since 1999. The group was originated by a Tibetan Buddhist lama in 1999. Upon his departure to Khatmandu and Boulder, Colorado, the group evolved and embraced world sacred music, original music and natural soundscapes under the direction of award-winning International Who's Who of Popular Music music composer and producer. "Eclectic tour-de-force, sans force" -RH, Multi-Denominational Minister "Soulful Musical Masterwork" -LT, Transformational Psychologist
