Wouldnt you like to be able to begin making money with public domain content as quickly as possible? I bet you would, and thats exactly what this manual is going to show you how to do. Inside of this ground breaking ebook youll discover: A simple system you can use to quickly and easily determine if particular piece of content is in the public domain or not One trick you can use to make money from a book in the public domain without having to make any changes at all to the book itself How adding the most miniscule amount of your own content to a public domain work can allow you to claim it as your own and make even more money Why breaking up public domain content into bite sized chunks may be the most effective use for it in your business, and how to do it fast How to take 2-4 books out of the public domain and create an entire membership website, where you get paid over and over again, month after month How you can use public domain content as a limitless source for your article marketing, video marketing, and blog marketing efforts A stupidly simple way to create entirely new products from scratch by joining two or more public domain works together How to take a public domain work and change it into a video or audio product, so that you can charge 10-15 times more than if you were selling it as a book How to transform

the webs major search engines into your public domain slave, getting them to serve you high quality public domain content at your demand My super exclusive list of public domain websites that I reference time and again to source content The two words you can use to increase the power of your marketing for your public domain content by leaps and bounds How you can cheaply turn a digital public domain work into a printed book and charge twice as much for the same information Why using public domain content may be the most powerful way to inject your mailing list with explosive growth And much, much more!
