Search Buzz Instead of going to search engine websites one by one, Search Buzz helps you trawl all the major search engines just by using one software. You dont even need to open a web browser to access the multiple search engines! Select to show only just the top 10 rankings of your search item and save all your search results into a simple, easy to read file that can be stored onto your computer. Discover How This All-In-One Search Engine Software Will Help Save You Time And Effort! What This Amazing Software Does: Save tons of time copying and pasting from the web by getting search engine results saved directly onto your computer through the software Utilize the power of all the search engines in just

a single click Export all search results into a simple, easy to read file which can be kept for future reference Have no more hassle of going to multiple sites to search for a particular topic! (Have them accessible all at once saves time and effort normally spent on trawling major search engines!) Have all your search results listed in one full page unlike the search engines where search results are broken down into a mess Software acts like your own personal all-in-one search engine on your desktop And Much Much More!
