Silly Stuff on Ebay Goofy Stuff for Sale You Thought eBay was Serious. And for the most part, its very serious. Buying, selling, making money on all kinds of things; its big business. You know eBay. Its huge and growing bigger every year. Its become the worlds biggest garage sale, fire sale, going-out-of-business sale and every other kind of sale you can think of. People sell things they dont need any more, they sell things theyve created, they sell mundane items and things that would make your mama blush. If youve ever spent time perusing the thousands of ads on eBay, then you may have come across a few things that were odd, strange or downright bizarre. So remember, if youre going to do something naughty like cheating on a spouse or a significant other, you may not only lose your stuff but you could be put up for sale. You get up in the morning and pop some bread into the toaster for breakfast. Watch out! You might not end up with toast but with EBay Toast! This is where youre going along with your normal morning routine and suddenly the likeness of Abraham Lincoln appears on your toast! You have two options: chew up old Abe and go on about your business, or put it up for auction on eBay. This ebook has given a fair idea about how even ebay stuff are not 100 percent genuine but aimed mainly on

profits. These ideas could be useful for you while choosing genuine products Here's A Sneak Peak At
