How To Setup Your Blog For Long Term Success MOST blogs fail because their owners start out badly, and continue to make mistakes. By the time they realize whats gone wrong, they would be quicker restarting! Blogging is about one thing, and one thing alone. When you get down to it, the successful bloggers have found a niche, and carved out a living. But countless others out there are simply pretending. Theyve seen the income these master bloggers are making, and are trying to be gurus. But before they found a niche, they researched it and ultimately, if youre setting up your blog on false advice, and not following the Master Plan we discovered, youll find that the most important areas of effortless traffic generation are forever lost to you. Youll lock yourself OUT of most of them with a few simple mistakes. Costly mistakes that most so called gurus make every day. Unfortunately... most of these gurus will deny that this is important. Theyll tell you that the content is more important and thats true, if youve got a good foundation. Without the foundation though, youll find your site collapses under its own weight. So instead of focusing on content and the upkeep of your blog afterwards, were giving you ALL the tools that the successful bloggers use that I use and that other bloggers Ive spoken to all use and compiled it

into an easy to follow, step by step, seven day crash course. Follow the instructions and you'll have a foundation that can't be beaten, and is strong enough to support anything you choose to do! More than that though, you'll find that anything you add will be effortlessly easy to promote. With our seven day master plan, we answer everything from: What the four best bookmarking sites are for driving incredible traffic in your direction How best to build your blog THE single best platform to blog from How to choose the keywords you're building your blog around How to implement those keywords in a way that HELPS your readers and YOUR income AND MORE... Remember, you're getting seven days of information, amazing insider tips from a blogging guru who was personally interviewed to create this report, and at the end of it, you WILL have a solid foundation to blog from.
