

Generalized Dermatitis In Clinical Practice

[DOWNLOAD HERE](#)

This practical clinical reference will concentrate on the diagnosis and management of dermatitis. Diagnosis and management of the many contributing factors will be discussed. Within the pages of this book the Editors and their contributors will review each symptom/differential diagnosis in the context of patient management, identifying the factors associated with each dermatitis and drawing together a wealth of clinical insight into managing these sometimes challenging patients. EAN/ISBN : 9781447128977 Publisher(s): Springer, Berlin, Springer, London Format: ePub/PDF Author(s): Nedorost, Susan T.
