A tranquil matured intermix of Freestyle/Pop/High Energy with Romance Jazz. 8 MP3 Songs POP: Power Pop, Romance Romance Pop Time Will Tell - The Maxi Single Songs Details: Where to begin... I was born in Tamazula Jalisco, raised in Redwood City CA, joined the Marine Corps. Anyways... A long time ago, a girlfriend asked me to sing her a song. Because I've never thought of myself as a singer, I felt it would be a little more special if I wrote her a song instead. I bought a small keyboard and began trying to write her song. Though I am still working on her special song, playing the keyboard and writing music has become a little more than just a hobby. I am frequently asked what type of music this is; the truth is I don't know. My friend, Edin says it sounds like Freestyle/Pop/High Energy with a little Romance Jazz. All I know is I play the keyboard and sometimes like what comes out. There are two English and two Spanish songs on this maxi single. I hope you like them. I would like to thank: My father and my grandfather Angel Moreno Martnez , both musicians, for wanting me to learn how to play music even though I didn't like it and didn't want to. Jose Hernandez of Mariachi Sol de Mexico, for taking time to listen to my "hobby" and referring me to Robert Chasco. Robert Chasco, for all his help in addition to the awesome job he did playing his guitar on Cuando Tu No Estas, the additional keyboards, the mixing and mastering, and giving life to the songs. Frank Cano, who did a tremendous job playing his trumpet on Time Will Tell, Whenever, and Quiero Tenerte. With his trumpet, Frank gave the songs a tranquil matured feel. Frank Perez "The Spinmaster" on KSJS 90.5 FM for playing my songs on the radio. My parents Angel Esther Moreno, for all their support. My sisters Sofia, Norma, Irma and Monica for putting up with me. My neighbors and fellow Marines in the barracks while stationed at MCAS El Toro (1997-1999) for putting up with the noise. And finally, I would like to thank the girlfriend that asked me to sing her a song. Angel Moreno

----- Por donde empearar... Naci en Tamazula Jalisco, creci en

Redwood City CA, entre a los Marine Corps. Bueno... Hace mucho, una novia me pidi que le cantara una cancin. Como nunca he creido poder cantar, pens que seria ms especial tratar de escribirle una cancin. Compre un pequeno teclado y empec a tratar de escribir su cancin. Aunque todava sigo tratando de escribir su cancin especial, tocando el teclado y tratando de escribir canciones s a convertido en algo un poquito mas que un pasatiempo. Cada vez que me preguntan que tipo de msica es esta, la verdad es que no s. Mi amigo Edin me dice que se escucha como Freestyle/Pop/High Energy con un poco de Latn Jazz. Lo nico que se es que cuando toco el teclado a veces me gusta lo que resulta. Hay dos canciones en Ingles y dos en Espaol. Espero les guste. Quiero darle las gracias a: Mi padre y a mi abuelo Angel Moreno Martnez , los dos msicos, por querer que de chico me enseara tocar msica aunque yo no quera y no me gustaba. Jos Hernndez del Mariachi Sol de Mxico, por tomar tiempo para escuchar mi pasatiempo y referir me a Roberto Chasco. Roberto Chasco, por toda su ayuda adems de el gran trabajo tocando su guitarra en Cuando Tu No Estas, los teclados adicionales, la grabacin y mescla, y por darle vida a mis canciones. Frank Cano, quien hizo un tremendo trabajo con su trompeta en Time Will Tell, Whenever, y Quiero Tenerte. Con su trompeta, Frank le dio a las canciones un sentido suave y maduro. Frank Prez "The Spinmaster" de KSJS 90.5 FM por tocar mis canciones en el radio. Mis padres Angel y Esther Moreno por su apoyo en todo. A mis hermanas Sofa, Norma, Irma y Mnica por aguantarme todo. A mis vecinos y Marines compaeros en las barracas de la base El Toro (1997-1999) por aguantar el ruido. Y por ultimo le doy las gracias a la novia que me pidio que le cantara una cancin.
