METAL/blues with searing leads and soulful singing The songs are more metal than blues on this CD 8 MP3 Songs ROCK: Classic Rock, METAL: Alternative Metal Details: Growing up in Oakland, California, Terry St. Denis was immersed in the richly diverse mix of music that defines the Bay Area scene. He jammed with musicians from historic old Oakland blues and funk bands and also played in country, top forty and metal rock bands. So it's no wonder that his music has a diverse sound.It's an inviting fusion of metal/blues.On this CD, the songs are commercially viable with searing leads and soulful singing. Be sure to check out the guitar work on "Final" (Track 2), the metal funk on "Let You Go" (Track 3) and the bonus track from their next CD, "In the Blues" (Track 8). We think you'll really enjoy them. Thanks for Listening! CALLBOX is: Terry St. Denis - guitar/vocals MHUDD (Mud) - bass Bruce Jackson - drums FOR MORE INFO E-MAIL CALLBOXMUSIC@NETZERO.COM
