After two demos noretro recorded it's debut long play cd in Feb/March 2001 which was released in August 2001. From 2002-2003 Chasper composed and recorded new tunes for the audio-video performance "outmars"(more info at outmars.com). This recording was released in December 2003 and is also available on cdbaby.com. CD Reviews: I think it sounds great. Nice, relaxed playing by Chasper Wanner and his group. Sounds like they have played together quite a bit and the horns add a nice touch as well. Wanner's playing is really sounding fluid and focused; he's getting a nice full sound. I don't miss not having keyboards on the CD at all...I'll look forward to hearing the next one!" Brad Rabuchin Guitarist Composer/Los Angeles -Solo-Artist -Ray Charles, Bonnie Raitt, Tom Jones, a.o. ...I am very impressed

with Chasper Wanner's compositions...very interesting harmony and very melodic. I'm very proud of him. He should keep up the great music he's got a great talent..." Frank Gambale Guitarist Composer/Los Angeles -Solo-Artist -Chick Corea Electric Band, Vital Information, a.o. "Chasper Wanner's music is fresh and exciting! The music lilts and sways and is full of interesting spaces for the listener to reflect on the experience. I give it five stars!!!!!" Mike Shapiro Studio and live drummer/Los Angeles -Eliane Elias, Al Jarreau, Airto Moreira, John Patitucci, a.o
