A very funny female songwriter - acoustic satire with guitar, bass, and piano. 15 MP3 Songs FOLK: Modern Folk, FOLK: Political Details: Botox Tango is a collection of Cosy's noted satirical songwriting, new and old. These are songs that have been heard on The Dr Demento Show, NPR's famed Car Talk, and in Cosy's infamous Chronicles of Our Heroine, Chlamydia. Released on Cosyng Music in 2003, BOTOX TANGO is a compilation of Cosy's topical humor from her previous 6 CDs, with a bonus of five new songs. Here is the vaunted Sheridan wit observing the far-flung reaches of our culture: women's tribal behavior in public restrooms, botox injections, body piercing, eating in the car, and the joys of caffeine as well as many others topics.
