Nuevo Flamenco Guitar at its finest, this San Diego artist captures the mood and passion of this Latin style 10 MP3 Songs in this album (44:27) ! Related styles: LATIN: Flamenco, JAZZ: Latin Jazz Details: The music on this CD is a creation of my Soul. The last few years have brought me many travels, many emotions, new lives and tragic deaths. From start to finish, this CD has allowed me to clink wine glasses celebrating Life itself and has lit candles to celebrate the deaths of Loved ones. Although these songs are personal, I feel a responsibility to share these gifts with the Universe ... from the Universe. When I think of my face on the cover of this CD, it feels presumptuous, then I remember why I am alive. Like poetry, or a literary masterpiece, every reader has their own vision or interpretation of what characters or scenery is involved, and the meaning behind it (unlike the latest Hollywood blockbuster). My music is here for your interpretation ... or your very own Soul Journey. Mine continues ...
