

Mp3 Disparition - Satellite State

[DOWNLOAD HERE](#)

Highly visual and cinematic in scope, Satellite State is a full-length album of dark electronic music with elements of ambient, classical, and eastern European folk music. 16 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Down Tempo Details: Synthesizing the influences of literature and film as much as other musical traditions, Disparition creates an aural language all its own on Satellite State. The result is a series of sound chronicles of the hidden corners of the world. Disparition is currently working on a new album to be released in 2006. Raised in the San Francisco Bay Area, composer Jon Bernstein has been playing piano for some 20 years and making electronic music for 8 years. Recent commissioned projects include scoring several San Francisco Bay Area plays, including the world premiere of Middleflight, and composing the soundtrack for Dead Ringer, an independent movie currently in post-production. You can also find Disparitions music on last.fm and on podcasts such as Intellectual Icebergs and Passing Notes Podcast.
