## **Mp3 Gary Murtha - Clover**

## DOWNLOAD HERE

Where the Shannon meets the Missouri a blending of electronic bouzouki to traditional bagpipes begging the Leprechauns to dance. 12 MP3 Songs in this album (23:23) ! Related styles: WORLD: Celtic, FOLK: Irish Contemporary Details: A unique style of old school and new school music that will shake up the ears while reminding the heart of home and family. Just as rivers blend to join as one so do our generations each with a foot in the past while reaching for the future. Clover presents the generational blend with each song sharing something in common with the others.
