

Mp3 Jango Rhythm - Pre-simplify

[DOWNLOAD HERE](#)

A fresh and unique sound. a blend of original music ranging from folksy roots rock n' roll to atmosphere and groove to hard driving rock. The sound has a vintage rock n' roll feel with a modern edge. 6 MP3 Songs ROCK: Roots Rock, FOLK: Folk Pop Details: Jango Rhythm Jango: Something that comes together unexpectedly and turns out better than one could have planned. Rhythm: The pattern of musical movement through time. Jango Rhythm is a rock n'roll band. Their music ranges from acoustic folk to roots rock to atmosphere and groove to melodic and bluesy hard driving rock. PRE-SIMPLIFY is the first official Jango Rhythm release. It was recorded and mixed at Sugarhill Studios with Dan Workman and John Griffin. Included with the album is a music video/DVD for the hit single "Easy Woman". On guitar and backing vocals is Johnny Rock. Johnny was born in central Texas and was raised on healthy helpings of Southern rock, legendary blues, and screaming leads. Johnny met Adam, and together they began forming the current lineup of Jango Rhythm. Johnny's primary instrument is guitar, particularly electric lead guitar. His favorite axe is one he made himself from a tree that was struck by lightning near his childhood home... That's why it has lightning on the top. He plays through any amp and effects he damn well feels like!
