Inspirational solo piano arrangements of traditional Christmas melodies as well as original compositions  
15 MP3 Songs EASY LISTENING: Background Music, NEW AGE: New Age Details: Jean Hilbert began playing the piano at the age of 7. Since 1993 she has focused on writing solo piano arrangements as well as contemporary Christian music. She has done many live performances featuring solo piano. In addition, her music has received radio play. Heaven's Dance is her 4th solo piano CD release and features arrangements of traditional Christmas pieces as well as six original compositions. "Having been in the business for some years I am not often intrigued by the quality and musicianship of the clients I encounter, but this was different. Strong instrumental and vocal melodies, accomplished piano playing and intelligent musical and lyrical composition. Jean Hilbert is an amazing songwriter and has only begun to explore the depths of her talents." Michael Cutsforth, MC Audio
