Satie should consider this download. Details: Hi I'm Jeremy Wray. I am an independent musician from London, England. I write and record songs and instrumental music that I hope will touch your heart and make you feel better about life (even if sometimes it makes you a bit sad:)! Here are some genuine quotes from people online who have heard some of my music: I have to say your music is spellbinding!

Thandi (4/5/2008) I just listened to your music, it was absolutely beautiful, came from the heart. It was almost speaking to me, i know what i mean just cant explain. Angelmc45 (29/6/2008) I felt moved by your piece and reminded of a particular time and jan garbarek who i haven't thought about in years. thank you

- MrsReclouse (24/7/2008) Just had to write to say that I have never heard such an achingly poignant piece of music. Incredibly beautiful but so, so sad - you obviously have a huge talent - thanks for sharing

it... - janeyp10 (10/8/2008) I listened to your music, it's beautiful! thankyou!! and describes perfectly the way I am feeling. Many thanks again, it's good to know your not really alone even when you feel that you

are!! Nene (19/8/2008) Hey - just wanted to say I listened to your composition, loved it. It invoked lots of thoughts, actually made me cry! Jan (27/12/2008) Your music. I could barely breathe x - mscoriander
