Country Music, the way it still should be. (In our humble opinion) All songs contained here, were written straight from the heart. And a few from the gall bladder. 16 MP3 Songs in this album (62:39) ! Related styles: COUNTRY: Traditional Country, COUNTRY: Americana People who are interested in Johnny Cash Merle Haggard Waylon Jennings should consider this download. Details: These are the songs co-authored by two former "honky tonk" performers, who gave up the bar life to concentrate on their songwriting. While many of these tunes are quite serious, others will no doubt leave a smile on your face.
