I'm Josiah Brooks, and this is my very first album, entitled 'View from a Window'. I recorded this in my Home Studio, and have enjoyed putting my all into many mediums of art. Music is one of those great arts that I love. Featured Tracks: 1 Hold on to Hope 2 Screams Against the Waves 3 He is There 4 Old Friend 5 Waters of Memory 6 Wake up 7 Stranded 8 Kaye's Song 9 Just be You 10 Hoping for 11 There in Your Arms (Feat. Lisa Gerrard) 12 Hold on to Hope (Acoustic) The album is called View from a Window, because I believe that, when we chose it, life can be an experience of seeing so many things than can mold us into better, stronger people. I believe that art is the most open way of communicating truth, love, joy and pain. I think that in the end we all have potential to share of ourselves, look into others and see who we all really are, and that no matter what someones situation or beliefs, we all have our own ups and downs. So if you would like to look into my window, and see how I have expressed the feelings of my own experiences of life in song, I'd be honored. ----- "Art is the window to man's soul. Without it, he would never be able to see beyond his immediate world; nor could the world see the man within."
