Classical new age solo acoustic piano music, with depth, power, and soul. 15 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: What can you expect from a handfull of quietness? A powerful and introspective journey of transformation inspired by a passage from Ecclesiastes: better a hand filled with quietness than two hands filled with toil and a striving after wind Fifteen intense piano solos, including arrangements of A Gift to Be Simple, the Irish folk song Shule Agra, and the Gregorian chant Veni Creator Spiritus. Not always quiet music, but music achieving quietness of the soul. Created as one unified work and performed in silence. Pianist Kathleen Ryan offers truly spiritual musicmusic to nourish your spirit, again and again. Music as rich and complex as life, passionate and alive, expressing a full range of emotion and serving as a mirror of the rich inner life. Ryan paints in the impressionism of silence, with notes resonating over the vast plains of the soul. Echoes What can you expect from a classical musician whose first favorite sound was marbles rolling in the grooves of an aluminum dishpan? Bright, sassy, alluring music Spacious, exuberant, crystalline music A tornado of notes, thunder and lightning, and inside the eye of that musical storm, reflection and thoughtful silence Intensity, passion and playfulness that comes through loud and clear Music that adds sanity to this world
