

Mp3 Landry - American Summer

[DOWNLOAD HERE](#)

A blend of Pop/Rock mixed with influences of British Rock, Americana, and great melodies. 5 MP3 Songs
POP: Today's Top 40, ROCK: Americana Details: Landry has landed in the wonderful city of Memphis to spread his writing wings and finish developing his sound. In 2005 he teamed up with artist/producer Drew Thomas of Retrospect with Ardent Records. After a year of writing and tweaking the songs...We now have Landry's first major production EP, "American Summer". It ranges in sounds from British Rock Anthems in "Steal a Kiss" to a slow Counting Crows feel in "Airport". With such a variety of styles on this cd, everyone is guaranteed to love it.
