

## Mp3 Larissa Ness - Easy Listening: Lounge

[DOWNLOAD HERE](#)

Uplifting, Melodic vocals sewn into modern, jazzy, and classically influenced piano skills. 5 MP3 Songs  
EASY LISTENING: Lounge, EASY LISTENING: Mood Music Details: LARISSA = Austin's version of "Norah Jones on Fire"...She's also been called "the new Female Gavin Degraw," "Sarah McLachlan," and a "more accessible Tori Amos"---Not only does her unique writing style provide variety for all music lovers, but a live performance entrances the audience both visually and aurally. An official Endorsee for Kurzweil Keyboards, a member of BMI, and a rising star on the Austin Music scene, she can be seen on Fox morning shows and the WB. She's toured the Caribbean and Europe singing and when not on tour, she's been heard live at various clubs around Austin, like Momo's on 6th St, the world reknown Continental Club, SXSW 2006 on the GoGirls showcase, and even on the beautiful Grand Pianos at Sullivan's Ringside and the Four Seasons Hotel Lounge. Her newest self titled EP provides five of her original songs in the stripped down acoustic nature of just soothing piano layered with Larissas melodious voice!
