We fuse electronic keys with thumpin' beats, free-flowin'-Ella-stylin'-vocals, classical guitar, groovin' bass, dijeridu, chains, water, and analog thunder-claps. These are just a few sounds that are in our palette of potential. If you close your eyes, yo 15 MP3 Songs NEW AGE: Ambient, ELECTRONIC: Soundscapes

Details: Loti: is a group of two God-fearing-music-geeks who are passionate about creating authentic music that gives glory to the One who created us. In the past our music has been likened to Portishead, Massive Attack, Enya and Popera... But Gosh, isn't there more to music than who you sort of sound like?

We fuse electronic keys with thumpin' beats, free-flowin'-Ella-stylin'-vocals, classical guitar, groovin' bass, dijeridu, chains, water, and analog thunder-claps. These are just a few sounds that are in our palette of potential. If you close your eyes, you might be surprised at the music you hear... this is where we find our inspiration. "When you close your eyes a symphony will grace your ear"... Concise Defiinition: Loti: (lo-ti)n. The sum of our names to form one musical entity. The word conjours spirituality, old medievil times and the beauty of the Wilderness. This name is associated with strong faith in God and Christ as Lord and Saviour. This name is also associated with great ingenuity and intriguing soundscapes, knob tweaking, beat making, theremin waving, air Fx staggering and guitar strumming beauty. LO 1. (lo)interj. before 1812 .la; a fusion of Old English lo, an exclamation of surprise, grief, or joy. 2. proper noun, A.K.A. Lori Renee (Kelley) Devey born 1977 as a fusion of surprise, grief and joy mixed with musical praise and lyrical honor. exampli gratis: visit lorireneefor a complete repertoire list, resume and a calendar of events. Picture it: Christmas, 1980, New Life Center, Albany, Oregon. Lori makes her singing debut in a trio with her older seeester, Char and her mother, Judy, who accompanies the "Kelley girls" on a lovely dulcimer (circa 1978). After singing a solo followed by various harmonies, to a very surprised congregation, our 3-year-old-Lori is hooked. The journey began with family, grew into the church and has blossomed into a

career of music created for God's glory. Yes, of course Lori studied music and has a nice diploma from Oregon State University with a degree in music to prove it. Lori even did graduate studies in opera at the San Francisco Conservatory of Music, but this is only a shadow of Lori's story. Listen closely to the lyrics and vocal inflections of Loti's album, "Shattered Boxes". This is where you'll find Lori's story and the journey of Loti:. Although Lori plays keys and is learning to play new random instruments, she is best known as the voice of Loti: ... La Voce TI 1. (te)noun 1839 te, seventh note of the musical scale; about 1845 ti replaced the earlier si, to avoid confusion with so sol. 2. proper noun, A.K.A. Timothy James Preut born 1979; about 2006 TI replaces SDub so as to avoid confusion when embarking on a new musical trip of God-Glorifying-beatmaking and soundscaping. Asleep, in the comfort of his bed 6 years ago. Tim was awoken, actually jolted and immediately turned on a T.V. with a violin concert in its finale. It was tunnel vision and a capturing moment of musical rapture. Divine intervention? Oh yes! Tim was reborn from that day forward into a musical minded soul. Self teaching himself aspects of production and the keys. Trying to be the percussion for God's word. Tim is known as the beat of Loti: ... il battimento Stay safe, love and be loved. God Bless. LO TI
