URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Rhythm Blues Details: Born and raised in the heart of the music capital Nashville Tennessee, I was fortunate to be submersed in all kinds of exceptional music. That is why one would describe my music as neo-soul with an r&b sophistication. I was very young when I realized that singing, song writing, and producing, would be my forte. Today my catalog of over fifty songs are flawless, and I am currently writing and producing for other artist as well. As a perfectionist my music is universal and crosses over to all audiences around the world. Being an invigorating individual is what has afforded me the opportunity to perform at some of the most distinctive clubs in the tri-state area, Club Demarara's, Club Ibis, Blue Angel Cafe, CB's Gallery, and The Soul Cafe are just a few of the venues where I left impressions of my four octave tenor vocals in the minds of my supporters. I HAVE received write ups in the LAS VEGAS WEEKLY, BLACK BEAT MAGAZINE, AND RIGHT ON MAGAZINE. Grier Associates Entertainment is currently promoting my twelve-song CD and as a result, my fan base is global. I have received amazing feedback from fans around the globe, as well as radio airplay on various radio stations and club spins. For the most part, if I am in front of a crowd performing, or teaching my students piano lessons, I am passionate about my contribution to the music industry. My musical diversity reflects stories that are universal however, my style is transcending. Smooth like Phillip Bailey of (Earth Wind Fire), but flawless like Maxwell and the late great EDDIE KENDRICKS. I have a lot to offer. I WAS BORN TO PERFORM AND I LOVE ALL OF MY FANS, AND THE RADIO STATIONS BECAUSE THEY ARE THE ONES THAT MAKE THE MUSIC INDUSTRY. THANK GOD FOR ANY MUSIC ENTITY WHO RESPECTS THE INDEPENDENT ARTIST. CD BABY I LOVE YOU.
