comin up in the blue is a strong tale of a young man fighting with life's ups and downs;as he grows into the artist and person he is today. 18 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Mike Bowser aka Starbucks is a true example of creativity and talent as a whole. The twenty-two year old Aquarius with brown eyes, 6'3 in height, and very attractive native of Greensboro, NC, has produced his own beats since the age of fourteen. Mike has also written his own music since he was eleven years old. Mike's creative mind is a gift that can be seen in his work, even as a child. At a very young age, he had a very good ear for music and that is how he ended up playing the trumpet at his church every Sunday. Today, Mike is not only a rapper and producer, but a trumpeter too. His influences for music making are many of the jazz musicians of the nineteen-twenties, and composers of earlier musical periods. This true miniature of talent has continuously surprised his family and friends with the kind of music he creates. With so much passion and energy, he brings out his words in a mixture of all genres of music. All though his talent is enormous he releases it in a modest manner that only confirms him as an humble and true musician. Mike not only produce music with a restless flavor, he is also a skillful rapper. Within his skill he remains incompatible to any other. He has the drive along with the talent to do what he does. His music needs not many words; it speaks for itself. Greatly influenced by late notorious BIG and Tupac Shakur, Mike Bowser has dreams and aspirations of having his own record label, giving great performances to his fans, and he also wants to eventually be called the greatest rapper/producer of all time. With so much ambition and the creative ability that it takes to achieve this goal, it is obvious that he will make it and the world will know his name.
