Bouncy, melodic, catchy synthpop act from Australia. 12 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: Neuropa is an ultra-catchy synthpop band from Australia that will have you singing along after your first time through their album. The melodic vocals glide over the catchy synthesizer hooks and danceable beats to make almost perfect electronic pop music. While Neuropa pulls influences from bands like Erasure, Elegant Machinery, Pet Shop Boys, and others, they perfect their own approach to stand out as one of the top bands in the scene.
