Related styles: POP: Today's Top 40, FOLK: Acid Folk People who are interested in Ron Sexsmith Van Morrison Neil Young should consider this download. Details: Here, with this single, I have begun my long awaited production, of what, on my album 'OUR STORY' (also available at CD Baby and iTunes) were just bare bones recordings of my most excellent songs. This is the first single, but expect further singles and an album soon. I also introduce the work here of the very talented producer and arranger Pete Johnston (a childhood friend) with whom I am now collaborating to bring out the best potential of my music. Paul O'Kane
