Relax or meditate to the soothing sounds of ocean waves and magical birds on an east coast island 7

MP3 Songs NEW AGE: Relaxation, NEW AGE: Nature Details: This CD captures all the sounds and magic of the famous ocean beaches and birds of Block Island, a tiny island jewel on the East Coast of the United States, off the coast of Rhode Island. The tracks were recorded without interruption, mostly in the early dawn hours. The sound of the ocean will relax and soothe the soul, and the extra long tracks are perfect for relaxing, meditating, or sleeping.
