THANK U VERY MUCH, AND I LUV YA ALL.....EVEN THE HATERZ :p HISTORY OF ProTG A.K.A. THA PRINCE OF VEGAS ProTG was born on June 23rd, of 1984, in LAS VEGAS, NEVADA!!!!!!!. Discovering his love for music at an early age, ProTG began writing his own rhymes at the age of 4, along side his big brother (Kid Finesse)! ProTG , however, didn't take his rhyming serious until he was presented with the opportunity to do so in 2001. A life-threatening/ altering incident occurred on July 24, 2002 for ProTG , when he was placed in the hospital for 4 days under close watch due to "a system function failure". Fresh from the hospital the same day of his release, ProTG began to write, write, and write, honing his skills as a credible MC. As time went on, ProTG began to submerge himself more and more into his musical talent, honing his skills at every chance or opportunity he had. Writing at work, school, or even in his head wasn't an uncommon thing for him to do, and now his craft is ready to be seen on a world stage. The Prince of Vegas a.k.a. ProTG is also the C.E.O. of his independently owned recording company called G.F.M.M. RECORDS LLC (short for God-Family-Music-Money Records), and is currently hard at work on three albums which include his solo debut, his new mixtape album, and his groups new mixtape album as well. His myspace page is killing the internet right now, and is a big hit with the ladies as well. -----call 1(641)985-7800 and enter *1343375 to leave ProTG some voice comments!
