

Mp3 Sean Fournier - Put The World On Stop

[DOWNLOAD HERE](#)

Sean Fournier is a singer/songwriter whose music would most likely fit in the pop/rock/folk genre. With his lyrically-driven songs, Sean hopes to stir something inside his audience and put words to a feeling they previously couldn't describe. 12 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: Sean Fournier was born on September 14th 1982 in Milford, CT. He discovered the guitar at age 16 and began write songs soon after. Today, Sean continues to write and record songs, and also plays the ukulele and piano. Sean feels many people can relate to his music because he sings about the things many people are feeling or have felt at one point in their lives. Sean hopes that people will fall in love with the honesty of his music. When he sings his songs, he hopes to stir something inside his audience and put words to a feeling that they previously couldn't describe. He enjoys playing live because he loves connecting with his audience. It gives him purpose and it drives him to work harder and make himself better. Sean Fournier's goal is to share his music with the world.
