Smooth blend of jazz and funk that gives you something to listen to while you bop your head. 8 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Smooth Jazz Details: Steve Clarke's CD "Kickin'It" is a joy to listen to, but is also known to make people bop their heads and say um-hmm. The music is very uplifting of the spirit, blending funk, soul and jazz in a nature and fun way. All songs written by Steve and him being a bassist the songs are built from the ground up, you know they have a foundation and they groove! The bass is also featured playing melody/solo on 5 tunes. He plays a 6 string with 2 higher strings than the standard 4 and has no problem being melodic or getting around the bass. The CD also features guest artists: Rohn Lawrence - guitar (Boney James,Will Downing) Jonathan DuBose - guitar (Harry Connick Jr.) Paul Mills - drums (Najee, Chaka Khan) Ken Gioffre - sax (BB King, John Patitucci) Vocals by Yvonne Burgess and Mike Mizzy. This CD is not only the one you want to tell people about, you want to get them a copy to make their day.
