the illest mixtape this year, five emcees reppin' the streets of n.c. butta beatz,sharp flows, and ghetto stories put it all together... streetsweeper 19 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Spiritual Rap Details: SUPA TRAV is from North Carolina, for years he has been holding down the hood with his blend of ghetto stories, boom bap production, and clever wordplay. "This album is hip-hop", says the proven lyrical machine gun a.k.a Theophilus Esquire. This is an album where you listen to it and get a lot of entertainment value but will always come back years later and get something new out of, kind of like the Bible". This latest installment is straight fire and full of gritty beats. It's crazy how this volume, takes you on a journey from coast to coast. It shows what these brothaz are capable of if put together over blazing tracks. Pound for pound and track for track, this mixtape holds mad weight in the streets. Props to SUPA TRAV for producing and arranging this ill jumpoff.
