Details: The Head is here. The Head is the perfect party album for this i-pod shuffle world. Five years in the making, The Head is the sound of the 21st century so far. Told by several different voices, The Head is an album about relationships. The Head is the work of producers Buck Jonz. Along with a group of other true musicians, they always create "sample-free", collectively delivering Original...Funky...Music. They've ripped it up opening for the likes of Rick James, The Roots, P-Funk, The Ohio Players The Gap Band. Jonz has been spotted jamming w/ the likes of Jamiroquai Sting. A compilation of R&B, pop, hip-hop ambient soul. The Head also features the amazing vocal talents of Genevieve, GwenLeathers Brother Amin. Their first full-length release since the critically acclaimed "Play" from Vanguard, "The Head" was recorded in Boston, San Francisco, Chinatown Extown. As usual, Buck's tyte beats tasty production fuse perfectly with the stellar bass guitar work of Jonz. Equally well suited as the backdrop to your next party as it is for some alone time with yo' chic or for a ride in yo' whip... "The Head" keeps things movin'. "Certified Headphone Masterpiece". Just click and buy.
