

Mp3 Tom Post - Double Life

[DOWNLOAD HERE](#)

pop rock/alt country 11 MP3 Songs POP: Power Pop, COUNTRY: Country Pop Details: Tom Post is a multitalented artist who played all the instruments as well as engineered and produced his first release: "Double Life." The collection of songs as described by the title is a contrast between a downtown big city, and a rural small town vibe. The sounds and experiences of being a 'hired gun' musician in the southwest are evident in the wide variety of styles you hear in this recording.
