You can't afford to not have this album. 14 MP3 Songs in this album (60:47) ! Related styles: URBAN/R&B: Neo-Soul, URBAN/R&B: Retro-Soul People who are interested in Michael Jackson Alicia Keys John Legend should consider this download. Details: Prolific songwriter/producer Eddie Sea Caldwell pens an album of a lifetime! Eddie Sea is releasing an album that reflects his memories of his Childhood through adult years in the tough, but elegant streets of Chicago. For years Eddie Sea has been serenading the world with the Underground G-funk legendary rapper Swolts. Producing 5 Cds. Now hes ready to embrace the world with his Compilation album Moon City which all of the songs he wrote and produced.Moon City will take you to a place in your mind where music has no boundaries. The album, Moon City, consists of fourteen original songs written by Eddie Sea, each providing a combination of his high-energy production, melodious vocals and heartfelt lyrics. Several singers, and musicians perform these hypnotic, organic, and beautiful works of art. Moon City reflects the same sounds and images when music was in its glory days of the 70s. Great stories combined with real life events that meld together with real singers and seasoned musicians. This Album is a collection of songs from different genres, that Eddie Sea has wrote and assembled some of the worlds great talents to sing and play on it. Recorded in his home studio Diamond Atomosphere Moon City has that home grown Chicago magic. Witnessed in the form of the great Chess records. With relatively all live instruments from flutes to sitars, Moon City gives you an opportunity to enjoy an alternative to the mainstream and current radio playlist. All of the songs send messages that will reach anyone from a child to a person in their senior years. Eddie writes for the soul. Eddie Sea says We have to get music back to how music was in the 70s when people had passion about listening to there

favorite artist, it was a blood sweat, and tears era. And thats what I intend to do. This album is a reflection of my influences over the years and the changes that Ive experienced recently in my life. Beautiful stories witnessed on I Am Love (acoustic guitar song) to the controversial Sunrise In Bangkok to the feel good songs like Fire and Underwater Paradise And the funky dramatic Sly Stone influenced Afro, Moon City is an album you cant afford to leave on the shelf! Eddie Sea has written and created for the worlds inner soul. If you enjoy Stevie Wonder, Chaka Khan, John Legend, Michael Jackson, Minnie Rippleton, Sly Stone, Tupac Shakur, Erika Badu, Lenny Kravitz, Robin Thicke, this is the album for you. Moon City has elements of Neo-Soul, R&B, Soul Rock, Latin, Acoustic, Funk, Hip Hop, and World Music all fused into one organic masterpiece.
