That Bakersfield honky tonk sound, with poignant lyrics and stellar harmonies. Get on the highway. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Details: Inspired by many of the genres most timeless artists, West Valley Highway are reminiscent of an era long gone, yet focused on their own unique interpretation of country musics future. From stripped down Bakersfield shuffles, to lush jazz tinged bar room ballads, their combination of crystal clear voices, poignant lyrics, beautiful guitar work, rock solid rhythm and well crafted songs are what honky tonk music is all about. Their song Im that Man was one of KEXPs most requested singles of 2004. Featuring bluegrass instrumentation and stunning precision harmony vocals, Im that Man earned the band new fans, as well as opening slots for country heavy weights, Dale Watson and Junior Brown. Don Slack, of KEXP's Swingin' Doors, says: "This Seattle band featuring former members of the Souvenirs debuts with an excellent set of Bakersfield honky tonk. The band's lean country-rock sound is highlighted by rock-solid musicianship, confident lead vocals and stellar harmonizing. Beautifully produced by the band themselves, Marysville is stuffed with memorable songs from beginning to end."
