This Time' by Sierra Cartwright Emily had one last chance to get it right. She'd always wanted to live the D/s lifestyle, and she tried other relationships before her dreams finally came true and she met Sterling, the renowned Dom. In Sir Sterling, she found what she hungered for, someone who understood her wants, needs and desires, better than she understood them herself. But, terrified of what he demanded emotionally, Emily succumbed to her fear and fled, only to realise the cost of living without him was too dear. Now, humbled and desperate for the chance to prove she can truly submit, she's back. This time, she can hold nothing back. This time, she has to push past her own boundaries and give this commanding, powerful man everything he demands. '213 High Street: Peepshow' by Christy Lockhart Gracie, Sophie and Katie know what they want and how to get it. And the most delicious thing? They're willing to share everything they know. Three sisters, one owns a very upscale sex toy shoppe, and a town that will never be the same again... A new toy, still in an irresistible box and sitting on the counter... What's a girl to do? Sophie knows she should wait until she gets home to play with The Clit Rocket, but it's been so long... After making sure Widby's infamous shoppe is closed for the night, she goes to the back room. The toy is phenomenal. Sophie's about T-minus 30 seconds from blastoff when he walks in... Tall, dark, handsome and wearing a law officer's badge. Seems the door hadn't been locked properly after all. Ryan Kelley gets more than a peep of the lovely Sophie. And this pretty little lawbreaker needs a firm hand. And he's just the man to give it to her... 'Imagine' by SL Majors It's about damn time he showed up. Chloe has waited her whole life for a man like Adam to grace her bed. Tall and muscular, this sexy man has golden hair and stunning eyes. He's in touch with everything she craves sexually. He knows exactly where to touch her, how to touch her, and how to bring her to the edge of a screaming climax. Can life get any better? After all, the man of her dreams is at her beck and call. All in all, she thinks, as she pours two glasses of wine, she could not possibly have imagined a more perfect man... 'Fed Up' by Sierra Cartwright Elizabeth Driscoll is fed up with her barrister-husband's work schedule. She's sick and tired of Jon coming home late every night with no energy left over to satisfy her sexual appetite. Once and for all, Beth takes control. That night, when he comes home from work, she's ready for him. Dressed in

high-heeled diva boots, a bra and stockings without panties, she grabs him by the tie, yanks him close to her and latches onto him in a way that gets his attention in a hurry. When she orders him to his knees, respected and revered attorney Jonathan Driscoll is stunned speechless. He never knew his sweet, mousy wife had a dark and dangerous side. Having no choice, he complies with her demands. Jon learns, the hard way, that her oh-so-sexy boots are made for a whole lot more than just walking. 'Balls to the Walls' by SL Majors Balls to the Walls is David's motto, along with the name of his one-man personal training firm. Callum, young and enthusiastic, wants to be a better footballer, and he hires David to train him. Usually shy, Callum can't help himself when he exits the locker room's shower and sees David standing before the mirror, a snow-white towel wrapped around his lean waist. He has not yet showered, and he smells of musk and man. David becomes Callum's teacher in all things physical, but things really heat up when Callum teaches the older man a thing or two about emotion and vulnerability.
