Take The Stress Out Of Your Interview - Here's Your Chill Pill. A Complete Guide To Modern Interview Tips & Tricks. Get The Edge And Stay Ahead Of All Your Competitors!!. You are reading this letter either because you are looking for a job, or are already in a job, and seeking a change. Whatever your requirement be, reading this can make you day as I am going to reveal a complete solution that will help you stay ahead and up breast in this tough and competitive job market. Although the economy is changing for better, the job scenario is not too consoling. To get through into your dream job, qualifications are not enough. You need an edge that keeps you over and above your peers and competitors. An interview is not about a person meeting anther person or a group of people trying to judge him with questions. It's about presenting yourself in a away that you get sold. In marketing terms, your packaging should be such that the employers get bound to choose you. Imagine this - when you go to a shop, the item with bright colors and attractive packaging tends to attract more of your attention, isn't it? The same law applied here too. People, or in this case interviewer also get attracted if you have a good packaging along with good qualification and experience. Giving you a competitive edge over and

above the others: Everyday, my mail box is filled with mails with people, sometimes fresh grads at other times, job seekers asking me questions like how to grab a job, what to wear, what to do and how to behave. I realized that there was a necessity to compile all these queries together and create something that would help all those in distress and seeking job. It's true that a slight change in attitude and behaviors can bring about greater changes in your career.
