Predictions are that sustainability becomes the next big topic for Human Resource Management after internationalization and globalization. This book gives new answers to these questions: - How can HRM contribute to attracting, developing and retaining highly qualified human resources over time? - How can a paradox perspective contribute to understanding and coping with paradoxical tensions? - How can sustainability be used as a deliberate strategy for HRM? EAN/ISBN : 9783790821888 Publisher(s): Physica-Verlag Format: ePub/PDF Author(s): Ehnert, Ina
