

Beyond Liberation Theology: A Polemic - Ivan Petrella

[DOWNLOAD HERE](#)

Liberation theologies are the most important theological movement of our time. In the 20th century, their influence shook the Third and First Worlds, grass root organizations and the affluent Western academy, as well as the lives of priests and laypeople persecuted and murdered for living out their understanding of the Christian message. In the 21st C their insights and goals remain - unfortunately - as valid as ever.
