529 College Savings Plans Exposed audio book Reveals The Good, The Bad, And The Ugly In Easy To Understand Layman's Terms! Don't rely on commission-earning brokers to explain hidden charges, fees, and penalties... Depending on your situation and the state in which you reside, the 529 College Savings Plan might be the best one for you. However, there are many variables you MUST be aware of before deciding which college savings plan to invest in. GET THE FACTS NOW! 529 College Savings Plans Exposed audio book describes in easy-to-understand and complete detail how to choose the most advantageous plan for your child's college fund. It's hard enough to save for college without having to worry about wading through the almost impossible to understand legalese found in many disclosure statements and plan circulars. While the brochures are bright and attractive and the television commercials promise you a hassle-free college nest egg, the truth of the matter is that not all college savings plans are created equal. In fact, the one thing that usually determines whether or not a plan is right for you is your unique situation. In this must-have audio book, you'll learn how to use your unique criteria to determine which plan is right for you instead of going with the plan your broker may recommend

to everyone! DON'T SIGN ANYTHING UNTIL YOU LISTEN TO 529 COLLEGE SAVINGS PLANS EXPOSED! Ask Yourself: What restrictions or limitations does the plan impose? Is my beneficiary limited to a predetermined list of colleges and universities or will the plan cover tuition at any accredited institution? The state in which you reside must be a crucial part of the decision making process. Why? Although there is far too much information to include here, realize that everything from plan fees to tax advantages differ from state to state. In fact, after you listen to this audio book, you'll understand how to determine whether to choose a plan sponsored by your state or to choose an out-of-state plan. FROM THIS AUDIO BOOK YOU'LL LEARN: * How to determine if a 529 College Savings Plan is right for you and if so, which one. * Key questions to ask your financial advisor. * The differences in Class A, Class B, and Class C Shares. * The difference between pre-paid tuition plans and college savings plans. * The #1 reason you must educate yourself and not rely on disclosures you may or may not receive. PLUS... Why State Administered 529 College Savings Plans Are Not Forced To Include All Fee Disclosures! 529 College Savings Plans Exposed audio book is power packed with everything you need to know to make an informed decision on the best college savings plan for your family. 529 College Savings Plans Exposed audio book Reveals Everything Your Broker Should Tell You So You'll Be Awakened...BEFORE You Get Taken! 529 College Savings Plans Exposed audio book is filled with real-life examples of advertising practices that didn't quite tell the whole story as well as brokers who steered their clients in the wrong direction in order to beef up their commissions! Once you get the 411 on 529's, you'll know exactly what to do and you won't have to worry if the seller is truly looking out for your best interests. 529 College Savings Plans Exposed audio book reveals... Federal And State Tax Advantages...And Disadvantages! Face it. Even honest brokers are not always as educated about college savings plans as they need to be. If you rely on the person who sells you the plan to describe all the tax advantages and/or disadvantages, you could be missing costly information. This essential audio book equips you with the critical information many brokers wouldn't tell you if they knew. Besides, no one knows your family situation as well as you do. Once you know the rules, you'll be a pro! Others will come to you for advice! HERE'S THE CATCH! You MUST be proactive. This audio book won't tell you which college savings plan is the right one for you. You're the only one who can make that decision. However, you'll find all the information you need to make the right decision and you'll learn more about money for college than you ever thought possible! You'll discover the critical differences between the two 529 plans and we've even included information

about alternate college savings plans so you can compare a wide variety of college funding options. 529 College Savings Plans Exposed audio book provides invaluable information regarding tax advantages you need to know BEFORE you choose your savings plan. Suppose you're able to purchase a great college savings plan sponsored by your state with reasonable fees and few restrictions. However, before you're ready to use the funds, you decide to move out of state. Will you be able to roll those funds over into another state sponsored plan? Suppose your beneficiary decides he or she no longer wants to go to college. Will you be able to transfer the fund to another beneficiary? Will you be able to recoup your initial investment without paying exorbitant fees? 529 College Savings Plans Exposed audio book answers these questions and more and points you to all the right sources to get your specific questions answered.
