Holden versus Ford, Ford versus Holden, Red versus Blue, Blue versus Red, even the order in which you say these two precious words marks you for life as to which side of the white line you drive on. Going straight to the heart of what it means to be Australian, this book is a must-have addition to any Ford or Holden lover's bookshelf. Loyalty, faith, competition, love is expressed through two brands of motor car. Never before has this nation-dividing topic been faced head on, and written about in such a detailed and humorous way. Some highlights include: comprehensive history of Ford and Holden research and development in Australia; extensive lists of all the Ford and Holden models released since the beginning of the twentieth century; the panel van craze that rocked the nation during the 1970s; the Great Race at Philip Island, Mt Panorama, and the glory days of Ford versus Holden racing victories; a compendium of facts and trivia of all things Holden and Ford; and falling in love with a car of your dreams. With over 200 photos and great design, Holden vs Ford is a full-throttle car book and the perfect Father's Day gift book.
