

Ifla Cataloguing Principles: Steps Towards An International Cataloguing Code, 5

[DOWNLOAD HERE](#)

Volume 35 presents the final stage in the development of an international set of principles that will guide the development of cataloguing codes worldwide. It is the report of the fifth and final meeting of the IME ICC. The series of meetings began in 2003. This volume contains information in English, French, and Portuguese where possible. The draft Statement of International Cataloguing Principles included here reflects the votes of agreement from all participants of the IME ICC1-5 for cataloguing codes worldwide.
