

Large Time Asymptotics For Solutions Of Nonlinear Partial Differential Equations

[DOWNLOAD HERE](#)

This book discusses nonlinear partial differential equations which, in exceptional circumstances, possess certain symmetries: they are invariant to a class of finite or infinitesimal transformations. EAN/ISBN : 9780387878096 Publisher(s): Springer, Berlin, Springer, New York Discussed keywords: Asymptote, Nichtlineare Analysis, Partielle Differenzialgleichungen Format: ePub/PDF Author(s): Sachdev, P. L. - Rao, Ch. Srinivasa
