

Marketers Help Desk : Support And Profit

[DOWNLOAD HERE](#)

This script is extremely easy to install. No database is required. Comes with detailed installation instructions. Includes: - Make it look like the HelpDesk script was custom programmed for your site. Ask any price you like. - Site graphics - Detailed installation instructions - Separate sales page "

Support&Profit " is a brand new HelpDesk script with many benefits: Protect your email address, Avoid email harvesting Dramatically reduce spam with our HelpDesk script. You don't have to give out your email address to strangers anymore. Use your helpdesk link instead, and make a professional impression at the same time. Your email address is hidden from the user and email-harvesting spiders. (Of course, trusted members can always email you to obtain your email address for a more personal contact.)

"Internal Mailing" - Receive 100 of your support emails Serve your members BETTER ! Your members can contact you from a page on your own web space. This allows you to receive 100 of your support emails by using the mailbox provided by your web-host. No more lost emails. Finally beat those nasty spam filters. Easy to install script - No Database This script is extremely easy to install. No database is required. Comes with detailed installation instructions.
