TORI AMOS MEETS PRIMUS MEETS Frank ZAPPA 11 MP3 Songs JAZZ: Jazz Vocals, Shake Funk Rock Afterthem Songs Details: Afterthem is a New Jersey founded studio band who do not play weddings or Springsteen covers...well maybe for a one thousand dollars...but NO REQUESTS! The music is polyrhythmic with odd time signatures... good vocals and Enceinte basslines Lead vocals are divided up by Joy Epting and Liz Matta (who also plays sax)...we try to keep Dave away from the mic but whaddya gonna do? Next we have Windy Jones on bass (from parts unknown) whose favorite bass player is Larry Graham (he insisted we put that in) Then we have Dave George on keys...Joe Positive on guitars and Chris Rossow on drums.We hope you will enjoy our music and tell your friends Thanks
