Their first release as a Duo resulted in a collection of their favorite singer/songwriters called "Kindred Spirits" an acoustic guitar and harmonica based record of covers featuring Billy's vocals and Steve's fine mandolin playing. This music is best described by Billy as "PopGrass", Keeping with the "spirit" of the first, they basically broadened there musical palette on the 2nd album by bringing out a wide range of electric guitars, beefing up the background vocals (Even feature a duet on one song) and had Steve sing a few more songs with his deep baritone. The title track is also self penned by Steve.
