

## Mp3 Billycox - Billy's Best

[DOWNLOAD HERE](#)

some country,some jazzy sounds some catchy tunes all originals 13 MP3 Songs POP: 50's Pop,  
COUNTRY: Country Pop Details: born in 1935 to a share croper family went from ky to indiana and  
started playing music in clubs. at 19 years of age. was on radio station's wjno rfd jamboree in the late  
1950's formed the band the yellow jackets in the 60's and played vfw,elks,moose,and eagles lodges, till  
1970 moved to florida and joined the bandits band as guitar and bass man when that band broke up I  
played with the rangeline drifters till a heart attack stoped me in 1983 I learned keyboard and work  
volunteers jobs and wrote till the present. I still preform locally doing all kinds of music for charitys.My  
music is a mixture of sound from country to swing and folk rock. Grab a listen I think you'll be impressed
