

Mp3 Born Against Christians - Kill The Stars

[DOWNLOAD HERE](#)

Aggressive industrial electronic assault from the most infamous band on the west coast of North America. Get ready to hate god your church and goverment. In the bands own words "We try hard to hate everyone equally." 6 MP3 Songs ELECTRONIC: Industrial, METAL: Industrial Metal Details: Kill the stars is the first release from the B.A.C. and is an unapologetic CD that offers some of the most aggressive hardcore digital music from Vancouver since Skinny Puppy. Born to Destroy is a great example of the bands pissed off take no prisoners approach with an intellectual twist . Released on Xmass day 2004 this record in a way assaults you for 30 minutes. It has only one slower track that asks you to join the Cult of the negative in the chorus, basically saying if you have any doubt of the direction the band is going read the lyrics and see this is for real. The second release Censore will be available soon and the third release God Against Christians is in production.
